TUTORIAL

TRACE: Your design onto the back of a scrap of fabric.

SEW: Along the drawn design line with right sides together.

CUT: The centre of the shape out leaving 5mm of fabric excess inside the stitching.

SNIP: Into the inner raw edges.

FLIP: The scrap fabric behind through the hole and iron in place.

PIN: Your feature fabric behind.

SEW: around the outside of the shape 2-3mm from the edge to secure in place.

Done!
